

Dedication to St. Joseph

O blessed Joseph, as World Family of Radio Maria we turn to you. We have consecrated our mission to your most holy Bride and now furthermore, with confidence we ask for your fatherly protection.

To you, wise and faithful servant, attentive father and vigilant protector of our Saviour, we entrust our undertakings and to you we turn as our protector, administrator and intercessor:

Protect the family of Radio Maria listeners, especially the sick, the suffering and the dying. Protect our volunteers and collaborators and accompany them in their service in the Lord's vineyard. Guide us all in the path to holiness and keep us in the spirit of unity, love, evangelization and sacrifice. Protect our offices, studios, broadcasting facilities, communication platforms and keep us safe from the snare of the evil one.

Help us to be good and faithful stewards of the resources and opportunities entrusted to us, so that all may give fruit for the Kingdom of God.

To your powerful intercession we entrust all our financial and material needs, especially those of the new broadcasting stations and in the poorest countries. We entrust to you the search for new, capable and qualified collaborators and volunteers. We entrust to you the growth and expansion of Radio Maria in all areas of evangelization.

Go before us and guide us in new countries and regions, wherever there is a soul to be saved.

Saint Joseph, as you guided and protected the Holy Family through all perils, so safely guide the World Family of Radio Maria through these troubled times and watch upon each of us with fatherly eyes. Amen
